

Ryedale & District Mencap Autumn Newsletter 2022

- Well it has been a year of change for us, welcoming in lots of new Trustees, and lots of work to do to make us the charity we want to be. Thank goodness that the new Trustees have taken the bull by the horns and we are well on the way to achieving our goals.
- We are especially pleased to announce that we have launched our new website www.ryedalemencap.org click the blue link to have a look. Its now the go to place to book on to activities, trips and more. We will be updating it all the time with new pictures, stories and information. You will always be able to find the latest activity sheet and newsletter on there. We are also working on new content that we have not released yet, so there should always be something new to look at. Don't forget we want your stories too, send us anything you are happy for us to put on the website.
- We have finally got there with our caravan project and now have a caravan on Skipsea Sands Holiday Park that anyone can hire to have a holiday in. Every time someone books a break in our caravan we get a bit of money and this helps us to do all of our fabulous activities. So help us to promote the good times people can have if they rent this caravan. Pictures of the caravan can be found along with descriptions on our new website click the link to have a look [Gallery | R Dm Test \(ryedalemencap.org\)](#). In the near future you will also be able to make an online booking for breaks in our caravan, by going to the Our Caravan page on the Website but that part of the site is not live yet.
- You should have received a new activity sheet, but if not click the link and it will take you to a printable PDF on our website [What's On | R Dm Test \(ryedalemencap.org\)](#). Please try to use the new booking system for activities on the website. First look at the activities sheet and make a note of ones you would like to book in for. Then go to the activities calendar and click on the date of the first activity you want to book, follow the instructions to book, then go to the next date you want to book and so on, until you have booked them all. If you need help with this please ask us and we will help you until you can do it yourself.

That's all for now,
